From the 401, go north on the 404 to 16th Avenue, which is the next exit past Highway 7. Turn west (right) on 16th Avenue to Leslie Street. Turn south on Leslie Street (left). The OEF is located in the 2-storey glass building just south of the first set of lights at West Beaver Creek, on the west side of the road.

There is plenty of parking around the perimeter of the building and the OEF Office is located on the second floor across the hall from the elevator.
