

QUICK • EASY • NO SAFETY PINS

Tagg-It

This TAGG-IT allows you to attach numbers easily and quickly to your saddle pad or your jacket. Safety pins are a thing of the past. This prevents rips in your number and tears in the fabric of your fine jacket material. Numbers appear to be attached almost invisibly. Great gift!

- No safety pins
- Easy to remove
- Practically invisible
- Attaches easily and quickly
- No ripped numbers or damaged clothing
- Attaches numbers evenly and straight
- Works for saddle pads or jackets
- English or Western
